Chapter 6: The Vanished Princess - Part II

...Are you sure you're all right?
Your wounds
It seems like there's some reason for what you're doing, so I won't ask, but
.....
Is another war going to start...?
...Fou-Lu
I must be off...
...'Tis no need for concern

I've seen my share of battle, so...
I can sort of sense this kind of thing.
...Thou wert a soldier?
Yeah...
It was a long time ago, but...
It seems so foolish now.
Maybe when the Founding Emperor started it it had meaning, but...
It went on so long no one knows what it was any-more
?
Fu...
The mortals...
...They under-stand not...

...Fou-Lu.
Going to the Capital is fine, but...
Farewell.
No...
Pay it no heed, I merely spoke mine thoughts aloud.
Be careful—
.....

...You.
How is it thou found this place...?
Yes
I'm afraid that, while My Lord is incomplete, He is still a God.

...I see.
Even the mere speaking of your name holds considerable power...
I would appear thou hast no intention of letting Us reach the Capital...
...That is correct.
I failed last time, however—
This time

I shall send My Lord to his Eternal Rest.

Go, Khafu!
.....!

Ku..-

.....
...You worm...

Guh ..

……！
ズ…

ガ
ガ
ガ

.To think
You'd regained this much of your power—
...Verily, as thou said, Our power is incomplete..

Nevertheless...
However, against the Endless, mortals such as thee...
Thou shouldst know thou canst not vanquish us...!
That which Your Majesty defeated is but one of my creatures...
Also, I believe your other half is still a newborn.
Even if that child is a God, it's not too late for us to move against him, correct...?
Fool!

Mmh
!?
If that be so, then before thou findeth him,
I must hasten to the Capital!
Blast
. !

You won't esc-ape!
After him-!

...What's wrong?
...No, it's nothin'
...What was
That...

*Lit Moving Apparatus

And it looks like it's running today
But there'll definitely be soldiers here...
I thought for sure we'd just be crossing a bridge
This is the Gateway* to the Capital

Since we've come this far,
We'll definitely bring Elina back...!
The Gate-way...
It'll send us straight into the Empire's territory.
Let's be careful going up
It'd be trouble-some if we were found
.....
Right!

This is the top...

GA KON
The lift.
Went down...?
!?
What the—?!

ドォォ
—It would appear the Gateway has begun operation.
Then. Are we supposed to just jump inside !?
That is correct.
ゴゥ!

Look out-
Kyaaaaa-
Who's there ...!!
.....
—Yeees

You're...
A...
An... Imperial...
It's been awhile
A soldier, huh.
Looks like we missed our chance
I owe that boy over there, you see
Still... meeting again like this, what are the chances?
Indeed! That's too bad

This...
...It hurts...
I'll give it back double
...Do you intend to fight us by yourself?
You're not bringing any of your friends?
What are you saying?
I may have come alone

Come out, Ymechaf!
But I won't be your opponent!
UUAAAA

—There.
You see?
ガァァ
Gu...-
...
—Aaah, I really do hate you people
Especially *you*

Ryu-sa...
Aaaa
S...
Stop it!
I'm going to make you suffer before I kill you.
Uu .
Let's see...
I suppose I'd better bring back a present.
Stop
Don't touch Nina
Ni...
Na
Oh my...
You're still with the little sister?

Let go!
Wait, stop flailing!
The little sister is still a princess of Wyndia
I suppose she might be good for something..
Bah, these wings are a lot of trouble!
I suppose I'd better remove them so you won't run off!
!!
N...
No!
Stop!
Ni...
Nina!!
No!

Ni...

Chapter 7: The Vanished Princess - Part III
I...I'm fine!
But Nina's wounds...
Thanks, Nina
...Fine... Somehow...
I healed your wounds, but.
How do you feel?
Phew...
You saved me before it got too serious, so...
But I was so surprised!
That you had that kind of power...

I couldn't control myself
That
.....

When that guy was doing all those horrible things to Nina...
DOOON
Everything went red

Ryu-san?
What's the matter?
...Back then,

What in the world am I...

...I had no idea I had that sort of power
It's a bit frightening...

Just as Ryu-san lends his power to us...
Nii-sama and I shall become Ryu-san's power
Ryu-san...
From now on, shall we search for the answer together...?
Okay?

It doesn't seem like anyone is following us
But we should get going nonetheless
I know Elina's here somewhere ..
Thank you, Nina.
You two,
Astana

Ni-
Nii-sama
Of course there would be a bunch of soldiers
What is that, I wonder...?
?
It looks like some kind of machine...
You lot must not be from around here, right?
If you don't know what that is
That's the [Carronade].
The Carronade...!!

The brid-ge...
When the Carronade attacks, it needs a lot of water.
It draws water from up there, near the bridge.
...So that's why there's so many soldiers
That is...!
You know all the aque-ducts in the area, right?
.....
Hm?

We'd better go before they surround the whole place.
...Cray.
This is bad.
They already noticed us ?
Let's go.
Let's go to that Aqueduct bridge
The bridge?
Over there?!
Block off the streets don't let them get away!!
Seems like we were a bit too noisy.
There's something there.
Probably.
.....
Found them!

Those are probably the guys Captain Rosso talked about!
ドカ
ドカ
Ku...
We don't have time to stand around debating
Don't let them get away!!

We've got you

Out of the way!

Let's head for the bridge!
We're counting on you, Ryu!
Right!
T...
This is as high as we can go!
What do we do now !

The soldiers are coming .!
Wait !!
It's all right
That premonition still hasn't disappeared

There's nothing more to be done, it seems...
ufufu...

I'm sure there s some way we can get away here
Some way...
Hii

Everyone, this way!

Clank
Ryu?!
This way... you mean inside the aque-duct?!
Aque-duct

That guy said the Carr-onade drew water from here
Could it be that it's connected to the engineer-ing facility ?!

Up there!

The place we saw in the dream!
This is where Elina ..!

Are you all right, Ryu-san?
Cough
Haa
It really is the place from the dream...
...I'm just glad we made it
And it's all thanks to Ryu-san.. right?

Let's look around. Come on!
My clothes and wings are soaked, it feels so gross...
We've only made it inside.
We can celebrate once we find Elina.
Maybe they're all out because of the fuss from before?
There doesn't seem to be anyone here.
SFX: Door creaking
Hide!
Wait. Someone's coming.
キィィ
Let's just hurry and fine Elina—

Yaaa
That is excellent
Step
—And
What is the status of the sacrifice?
Yes Lord Yuna
Step
Step
Right now, it continues to grow.
Step
Yuna ?
Is he with the military?

They'll find us if we stay here. Let's sneak behind this
Slowly
Twitch...
...Yes, sir.
I'll leave it to you.
This is bad
Lord Yuna
.....
About what we're doing with the sacrifice from here---
It seems several mice have managed to sneak in.
Par-don?
Eh
Ah
Huh?

Lord Yuna—?!
I wonder if it's okay for us to be back here
But it looks like they didn't find us
Unfort-unately—
Wha
Since when were you—
!?
We did.

We're looking for someone
We're sure Elina is here
You guys kidnapped a Wyndian Princess!
Princess Elina..?
You aren't from the Empire, are you?
This isn't good..you don't have permission to be here
Aah! I do believe I welcomed her here, yes
So she is here after all...!
Give Elina back-
...You say that, but.

Eeek!
Then we'll take her by force...!!
So you don't intend to give her back...
!!
!!
!!
That's far enough, don't come any closer!!
Ya Ya Ya!!
!!
!!

Damn it...!
You're a Wyndian Princess and the Tribal Leader of the Woren Clan, correct?
!!
—By the way, those two
Since it would be troublesome if you fought here...

Remove them
Sir!
I don't know why you're in a place like this, but...
You aren't welcome in an Imperial Military Facility without permission.
Let go!

Uu...
Why you...
Haa...
Haa
We have to hurry and find Elina-san...
We
Ryu!
Hold on to those two!

Ya Ya Ya
I-I told you that
You- you cannot fight in here.
We're definitely bringing Elina back!!
That's right! Since we've come this far
Ku..
Goodness... As if your trespassing wasn't a big enough problem,
But I also have an obligation to send you back East.
An obligation to send us back...!
If you continue fighting, it will cause a problem for the negotiations!!

Give back my sister...!
Please!
My sister is here, isn't she...!?
Until the arrangements are made, put them in the dungeon
This... This is...
Just... Just a little more time...

Chapter 8: Discord

What you did...
Sneaking into an enemy country in the middle of a truce...
And being deported back to Ludia because of it.
This is not something that can be excused as a warrior, much less the leader of the Woren...!
Do you understand what your actions will cost the Alliance?

B-
But...
You're only worried about your reputation...!
A princess has been kidnapped by the Empire..!
Elina was kidnapped by the Empire..!
Cray...!

We cannot afford to end the treaty for one princess! If we did, we could not protect the people!
I can't just ignore that. I
Some-thing like that...!?
We cannot put our people in danger for something like that!

How can you say "something like that" when your fiancée was kidnapped..!?
Prince Mor-ley.
You're Elina's..
Prince Morley...
——It is of no concern.

I still wish to speak with you more on this
The rest of your group will also be held at the castle.
—Cray.
There are affairs that require your attention.
Yes...

—Is that so.
It was all my idea
Leave the others out of this
...And Nina...

I have taken the liberty of hiring a mercenary of some skill——
You should be aware.
Increase the defense in the castle town.
...Let's not forget to be observant.
Sir.
Ilgor.
In that case, confine him

I d'no' thin' I've ever seen a person as bad off as you
—I wouldn't be movin' too much if'n I was you...
Who ...is
.....

Gets up...
Ah...
Huh...?
Ryu-san?
You must have been tired...
A lot has happ-ened.
Sorry... how long was I asleep?
Nina
So you're awake?

He's still under investigation.
Can't we go and see him?
...Cray?
This person is watching us
We can go, but I don't think we can meet him...
Also,

.....
Nii-sama is protecting us...
He's doing such an unnecessary thing, and he's going to get some horrible punishment.
P-Please don't say such ominous things!
Fu fu fu...
He probably won't get the death penalty, Master says...

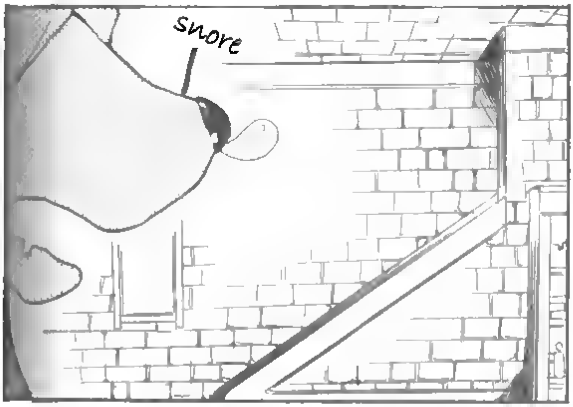
But, this way
I have to do something...
If it stays like this...
Nii-sama...
Surprise
D...Don't cry, Nina...
We'll do something about Cray!
Ryu-san...
Because, you three are siblings, right?
sniff

Eh?
Nii-sama is my childhood friend...
I've called him that ever since he played with me as a child.
I'm sorry
We're not actually related by blood
That's normal!
Wanting to save a sibling from the death penalty...
Nii-sama would come to Wyndia, we would go to the Woren village...
We would sneak out to play so often, we'd get in so much trouble
Is that so...?
Yes

My sister's sudden disappearance,
Like here
That explains why they look nothing alike...
But,
When she went on her good-will journey to the people hurt by the war...
I... thought it was strange.
So Nii-sama and I went to look for her...
So the fault is really mine

What should I do..
I....I'm sorry, for crying.
Nii-sama is still missing and I..
...Nina
!
Let's go save him.

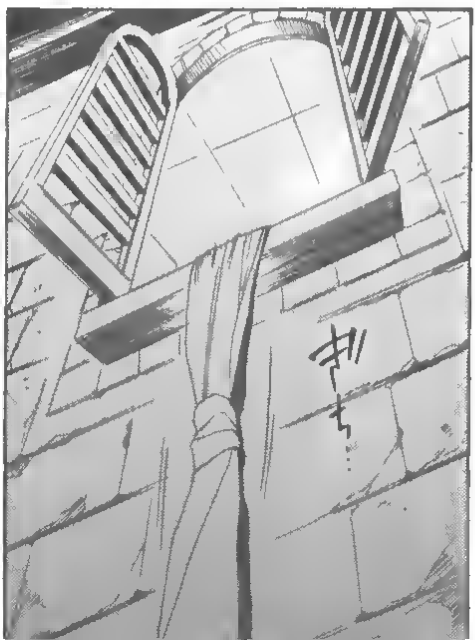
So I'll help you
..I don't think wanting to save your family is a bad thing
whisper
I'm sure that the defenses at the castle get weaker at night.
We'll sneak out then.
?
whisper
Ry...
Ryu-san?
whisper
Shall we go meet the person you want to see?
...Yes!



Snore

Snore

It should be okay now



!
—Ryu-san!
……

Where...
are you going?
Da-mn...
W...we've been caught...

keeping... watch...
I... I'm...
Are you going to try and stop us?
If so
...To the castle

I'll go too.
You you're not going to stop us?

My job is...
J...just keeping watch.

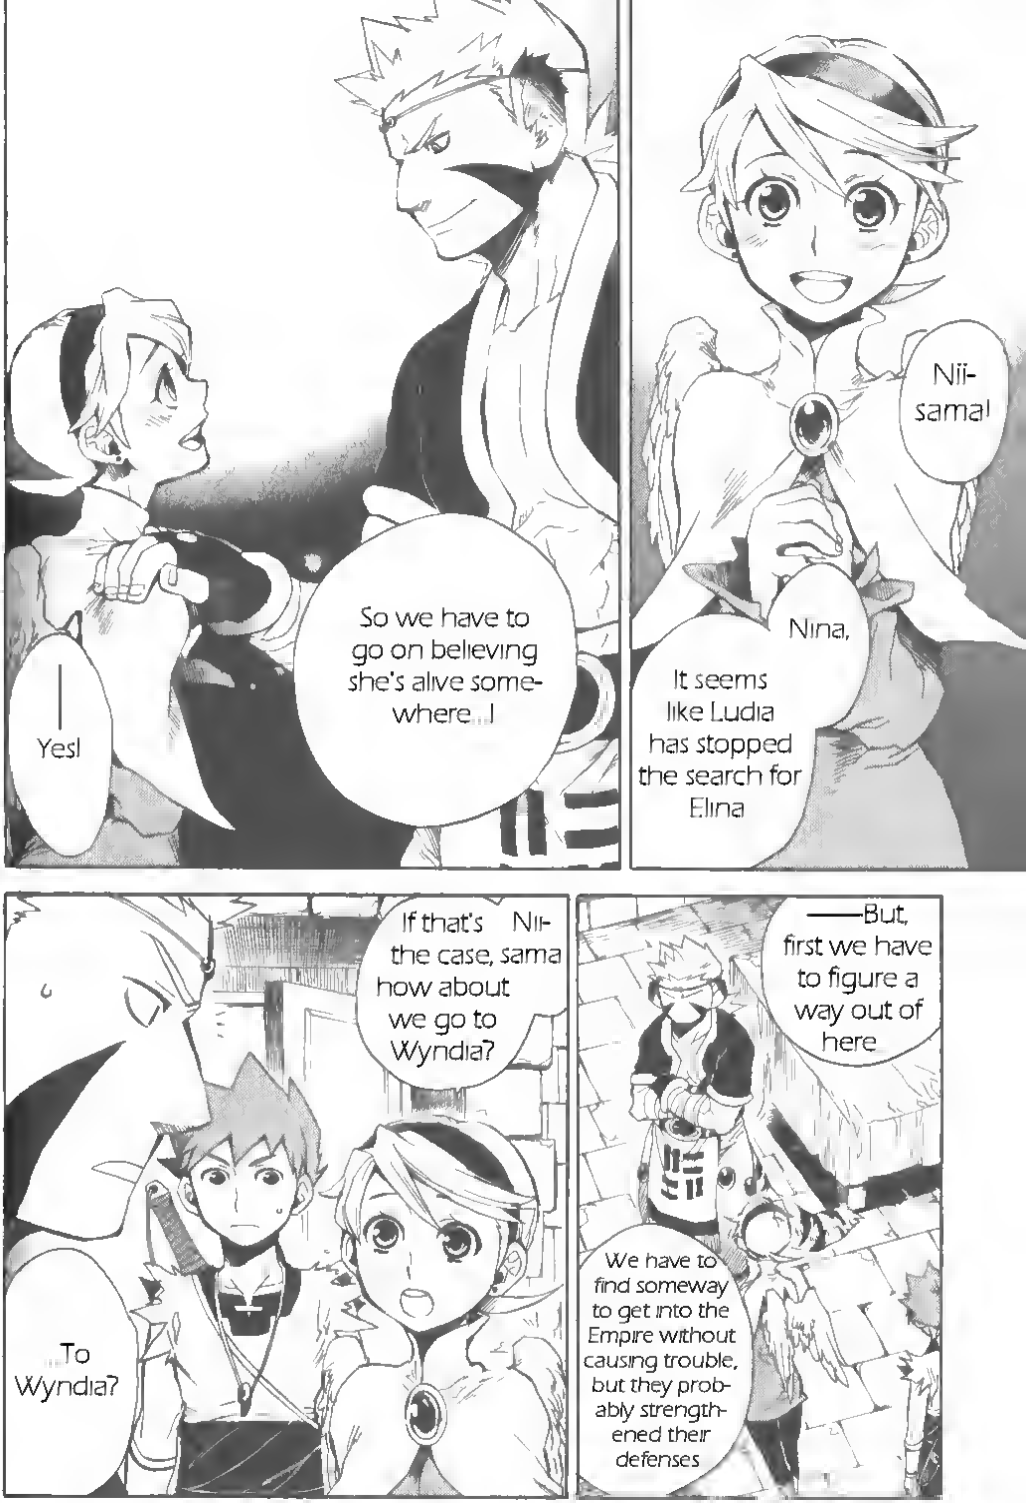
Nii-sama...!
Who ..?
!
Shall we escape toge-ther?
But... for the chief of the Woren to do such a thing...
Ninal
Why are you all here?
STOR STOR
We came to save you .!

What would happen to my sister...!
And
If you get the death penalty, it might make the Woren revolt!
It'll be worse if we stay!
I don't want to give up...!
We still haven't found Elina...
...That's right...
.....



Nii-sama!
Nina,
It seems like Ludia has stopped the search for Elina
So we have to go on believing she's alive somewhere...!
Yes!
——But, first we have to figure a way out of here
We have to find someway to get into the Empire without causing trouble, but they probably strengthened their defenses
If that's the case, Nii-sama how about we go to Wyndia?
...To Wyndia?

I'm sure if we explain the situation, Father will understand.
Also...
We may be able to find something out about Ryu-san——
?
...I get it.
...It seems like it's going to be difficult.
So let's hurry and get out of here.
Yes...
Ah

Nina
...
Who's this guy?
Ah. ..um, this is the person keeping watch on us...
Even though you're a guard...
Sorry for making you keep watch...
!?
Are we going?
...A
Yes
Scias
.....
Keep-ing watch?!
Um, Your name is

In other words, it seems he's going to be watching us from now on, Ershin says.
!
B...But even if he comes, he won't do anything
How are we supp-osed to escape with him here?!
That's how it is.
I'm called Scias...
Why would we go with someone guarding you...!!
If you pull anything even the slightest bit weird...
I'll pulverize you
N... Nii-sama
Is Ilgor the one who hired you?
.....
.....

...Nina seems kind of happy.
It's been awhile since she's been home.
It's not surprising
Nina is from Wyndia, I'm from the Woren village.
We'd both decided we wouldn't come unless it was with Elina..

Chapter 9: The Wind Dragon, Ryong - Part I

That's Nina-sama!*

Nina-sama has returned
Oooh, Nina!
By the way, where might my father be...?
Cray-sama, too...
Ever since you left, the King has been worried sick
.....
It's okay. These people are my friends.
SUSPICIOUS PEOPLE!!
Who're you!!

I was worried!
I'm sorry, Father.

Thank goodness you've returned safely...!

Nods
He helped us out many times on our journey.

Ni-na
These people are.
Ah, um...
This is Ryu-san.

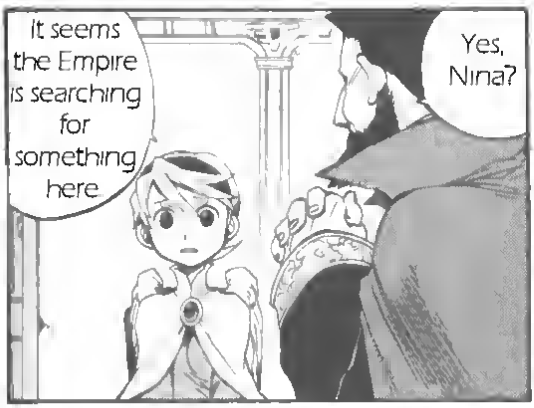
And Scias-san helped us escape from Ludia
Thanks so much for that.
It appears you've been through many troubles
No, that's ...
N...
I see... it seems my daughter owes you a debt...
And you as well, Lord Cray
In the end, I did nothing... Just got in the way of the Alliance...

. Th
Thank you very much .
So why don't you take your time and rest, as my guests
Nii-sama ...
In any case you must be tired after your long journey.
I'll have a meal prepared.
Would it be all right if we spoke after-wards?

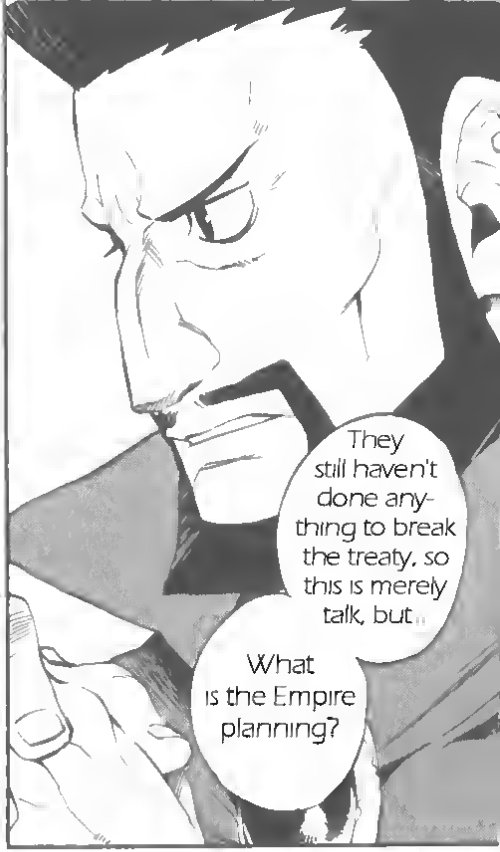
We've been preparing since we heard she'd been captured, but.
Wh... What kind of nonsense is that?!
As I expected, those are the conditions they've given us
It seems the Alliance wants us to remain neutral in our dealings with the Fou Empire

I thought about it...
It would be different if I'd managed to save Elena...
I'm not qualified to be Chief...
Not at all, Lord Cray.
Your actions were admirable.
As you have probably realized for yourself, in the matter of my missing daughter...
The Alliance has no intention of helping us
Rather, they are thankful for it.
...Thank you, your majesty...
Mm
But there's one more thing that's worrying me.

...Father
And what will we do when they act...?



Yes, Nina?
It seems the Empire is searching for something here.

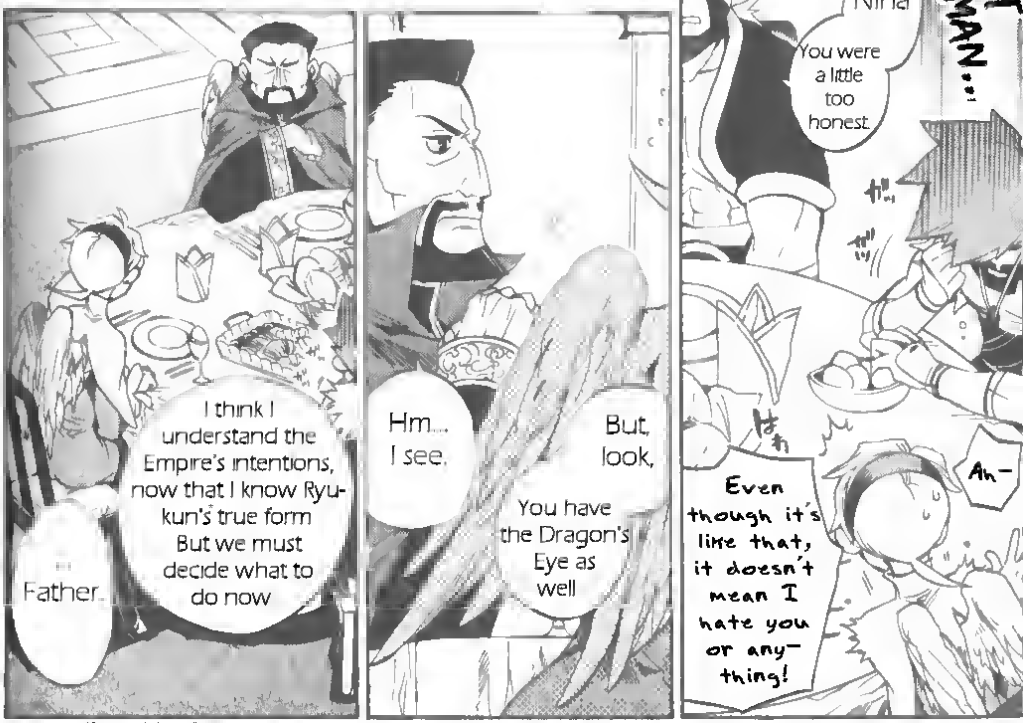


What is the Empire planning?
They still haven't done anything to break the treaty, so this is merely talk, but...

That Rasso bastard?
Yes.
I didn't think much of it at the time, but...

Searching?
I found something interesting while searching for the dragon.
For a dragon
I heard a Imperial soldier say so.

I wonder if the dragon they're searching for is Ryu-san...
Um, Well, your name means dragon,
Why me...?
Roll
.....!?
It's certainly not normal...
And then you transformed
It's Superhuman.



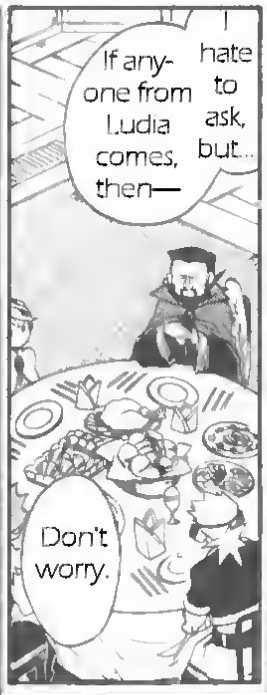
Father...
I think I understand the Empire's intentions, now that I know Ryu-kun's true form But we must decide what to do now
Hm.... I see.
But, look,
You have the Dragon's Eye as well
NOT HUMAN...!
Nina
You were a little too honest
Even though it's like that, it doesn't mean I hate you or any-thing!
Ah-

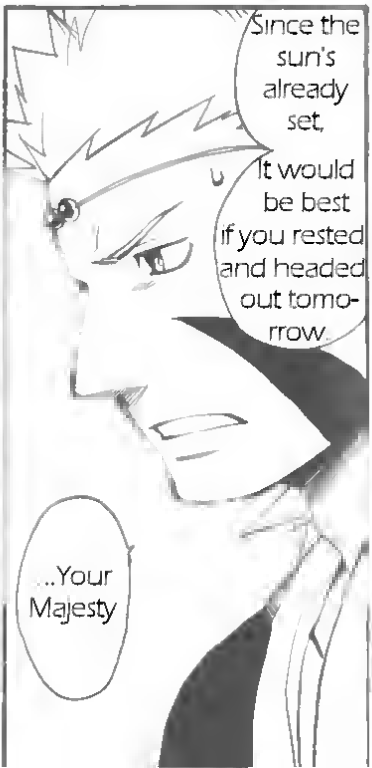
*for young(er) men/boys

...Ryu-kun.
Start
Y-
Yes!
?
?
The Wind Dragon should know something...
Ask a dragon about dragons, is it...
Are you prepared to discover yourself?

I'm more than ready.
I don't know a single thing about myself.
So I want to learn everything I can.
And continue moving forward—
...Good answer
To meet him, you'll need to climb the Tower of Wind.
The tower that reaches Heaven.
Very well.
I'll permit your meeting the dragon.
But there are other requirements

T/N: it actually uses the kanji for "swim" here.





I'll send a messenger to the Woren Village, as well
I imagine they're worried about their Chieftain
.You have my thanks
A a single room, what luck
Well then, please excuse me
Ah Of course

About you, too——

—Ryu
Tom-orrow
Anything I learn would be good
Got a min-ute?
What is it?
Have you seen Scias?
But where?!
That guy is a guard from Ludia, you know!
Didn't he go off to take a nap some-where...?

...No matter what path we take, we'll have to hurry
If he's not in Wyndia, then he probably went back to Ludia to report...!
...No way.
Let's head out as soon as it's light.
I see
.....

That boy is a [Dragon]
In that case, we can capture him when he goes to the tower
Fn
Good work.

...Lord Ilgor.
Now take that and go!
Your pay
Is it really all right to let him go...?
Leave him be
Money is the only thing in his head.
More importantly, that dragon
If that boy really is a dragon

Excellent
We must do everything we can to capture him before the Empire does
.....
Then, Ludia will be able to——

Th-
That's true, but...
That guy is on the enemy's side!
Don't say I didn't warn you!
Yeah..
In the end... he didn't come back yesterday Scias.
You guys are so soft-hearted.
If he was out to capture us, I'm sure we would have noticed..
Yeah.. I agree.
It was his job to guard us.
But he's not a bad person...

We're at the top...

—Ah
Ryu-san, look at that!
Wow
We're high
Wow... We can see the Capital from here!
?
That's ...?
A winged gondola
We can use it to fly!
If we use this, we can ride the winds even higher and talk to the Wind Dragon!
...Really
Are you saying we have to go even higher?
Fly...?
Yes! Since Lord Ryong is in even higher altitudes!

Finally, a clue-----
Finally
We don't have time to hesitate
Let's go
Yeah
That's far enough.

Did you really think you could escape...?

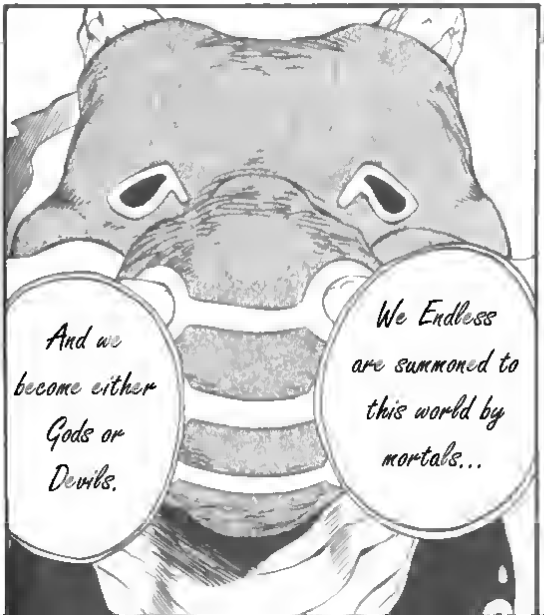
In mortal terms, he is like unto a God.

And yet, he is at the same time mortal...



We Endless are summoned to this world by mortals...

You mean the Elder?
Um. Then, who's in charge?

Like a village headman...
The Elder's over this way.

You have visitors.

Eh...?

---However, you, we did not.
We in this land have always summoned Gods - the Endless-forth
The Wind Dragon, The Mud Dragon, the Sand Dragon
We were the ones who summoned them to this land.

Under the Cover Manga: Trip to Town Edition

*It's referring to how the Extras are usually under the dust cover

We go swimming often, but...
I'd like to take a proper bath occasionally
But, there aren't any towns near here...
There's no tub to boil the water in...
I'm sorry to make an issue.
Hm—m
That's right... After all, Nina's the only girl among us
It's full of holes
Nah— the water would all leak out.
We—
It's hollow inside
I suppose we can't just boil it inside of Ershin, can we?
An unexpected interest?!
If it's a problem, we could simply seal the holes.
Ufufufu
We can't do that sort of thing!
Ershin-san, won't you get angry?

I wonder if he has paw pads?
Scias-san is a dog, right?
They're just small
Ah!
Amazing! They are there!

Recently, I've been finding other ways of using my Dragon's Eye
For example, here we have a boiled egg and a raw egg...

Yes, I saw it!
This one is raw!!
If you spin them, you can tell.
